

Community Rules Reminder

“Let’s all do our part to keep our community a safe and beautiful place to live!”

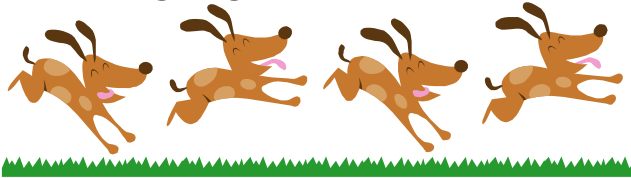

“Who let the dogs out?”

BE A RESPONSIBLE/LAW ABIDING PET OWNER

 A well dressed dog wears a leash. Your city does have a leash law in place already. Not only can your HOA fine you but the city can too!

 If your dog poops, you scoop!

 Barking dogs are a noise nuisance.

PARENTS:

Please refrain from letting your kids play in the street. There is too much traffic and it is becoming **VERY dangerous.**

Are you and your neighbors SAFE????

Not if you or your neighbor give out personal gate codes to get into the community. There is a gate/telephone box that your guests/pizza man can use to call you and you can buzz them in!! Please utilize this, don't give out your code.

WEEDS, AHHHHHHHH

Owners are responsible for maintaining their lawns, flowers beds, trees and shrubs. This adds to the value of your homes!

Spring Lawn Care Calendar (For the South)

Stop summer weeds: Don't let annual weeds ruin the look of your lawn. Spread a pre-emergence herbicide to stop them before they sprout. Apply the pre-emergence product from mid-February to early March for best results.

Begin mowing: Start mowing your lawn as it begins to grow in mid - to late spring.

Don't let thatch build up: Thatch is a layer of old, dead grass stems that builds up on lawns. It prevents air, water, and nutrients from getting to your lawn's root system. Remove thatch before the grass starts growing in summer.

On Street Parking...

Is limited to temporary parking of guests. Please be mindful and considerate of your neighbors when parking & having guests.
