

***THE HOMESTEAD AT BIG STONE GAP
HOA, INC.***

Cheryl Franklin – President Dino Barela – Vice President Don King – Treasurer
Tommie Rains – Secretary Dora Valadez – Member-At-Large

“Important Notice”

The Homestead at Big Stone Gap HOA Board voted Monday night, October 18, 2010 to close the gates at all times from now on. We will not open them early or late for school buses to enter our community. The Duncanville ISD has an entry code to use and will have to start using the code. The gates will remain closed to anyone without a bar code decal or entry code. If you do not have a bar code decal or entry code, please contact Goddard Management to obtain one. Their direct number is 972-576-5055 or you can email them. Their email address is on our website www.homesteadhoaonline.com .

Our community is a gated community and that is why most residents purchased their homes in our area. Just because we live in a gated community, don't think we are immune to crime. Criminals can get in and do their deeds by just waiting until the gates are open and follow someone in. Please help all our residents be safer by being alert and looking for people or actions that don't look right. If you see something suspicious or that doesn't look normal, pick up the phone and call the Police. If it is an urgent matter, dial 911 and give the information. If it is not an emergency, just something that doesn't look right, call the non-emergency number 972-223-6111 and report it. You don't even have to give your name if you don't want to.
